(vi) Institutional set-up for liquidity risk management:

The Board of Directors of the Company has the overall responsibility and oversight for the management of all the risks, including liquidity risk, to which the Company is exposed to in the course of conducting its business. The Board approves the governance structure, policies, strategy and the risk limits for the management of liquidity risk. The Board of Directors approves the constitution of the Asset Liability Committee (“ALCO”) for the effective supervision, evaluation, monitoring and review of various aspects and types of risks in general and liquidity risk in particular.

The meetings of ALCO are held at quarterly intervals. ALCO provides guidance and directions on aspects such as interest rate outlook, liquidity, debt market position and funding sources to name a few.

Footnote

* Total liabilities refer to Total Outside Liabilities I.e. Balance Sheet Total Excluding Share Capital and Reserves

**Other short-term liabilities means current maturity of the borrowing payable within a period of 1 year.
